

Mrs. Reeb's and Mrs. Schneeberger's Turtle and Trout Newsletter June 2nd, 2017

Our reading, writing, and language arts time next week will focus on reviewing important third grade skills and enrichment to prepare for 4th grade. We will also reflect on our growth this school year, and say our goodbyes and well wishes for the summer.

We will spend time working on:

- Manuscript and cursive handwriting
- Sentence building and combining
- Informational text skills
- Writing poetry
- Third grade memory books

The Trout classroom has been practicing a readers' theater play called *The Lion and the Ostrich Chicks*. We will be performing this for several other classrooms next week. We will be making signs to indicate which part each student is reading, and they are allowed to bring in any other costumes pieces they would like.

For the remainder of the year, we will review the math concepts we learned this year and begin to get a jump start on fourth grade skills-fractions, double digit multiplication, etc.
